Seller's description

Up for auction is an original patch from the 1958 NOAC. The patch has a cloth/gauze back and the twill runs right. The patch has never been sewn and measures about 3 1/16 inches wide and about 5 inches tall. I have attached pictures of both the fronts and backs of the original (left) and the reproduction (right). The biggest difference is in the backstitching (second picture). This auction is for just the original patch, not the reproduction. The reproduction is pictured for comparison purposes only.
